### Last-Mile Delivery:

- Coverage:  
GCC-wide road logistics with real-time tracking for retail, e-commerce, and industrial sectors.

### Project Logistics Services:

- Customized Strategy:  
From pre-shipment planning to final installation.
- Regulatory Expertise:  
Management of customs, permits, and documentation.

### Supply Chain Consulting:

- Expertise:  
Route optimization, cost reduction, and risk management for China-Europe-GCC trade flows.

# Why Choose us?

## Why Choose Kodiak

- GCC Market Mastery: Expertise in local regulations, VAT frameworks, and cultural nuances.
- China & Europe Specialization: Strong partnerships with carriers, ports, and customs brokers.
- Technology-Driven: AI-powered tracking and IoT-enabled cargo monitoring.
- Sustainability Commitment: Carbon-neutral shipping and eco-friendly packaging.
- Scalable Solutions: For SMEs to multinational corporations.

## Commitment to Innovation:

- Digital Integration: Real-time shipment tracking and automated documentation.
- Smart Warehousing: AI-driven inventory management in Dubai's free zones.
- Risk Mitigation: Proactive planning for geopolitical and market disruptions.

## Global Network:

GCC: Dubai, Riyadh, Doha, and Muscat.

China: Partnerships in Shanghai, Shenzhen, and Guangzhou.

Europe: Agents in Rotterdam, Hamburg, and Felixstowe.
